

Congratulations, **YOU ARE CRUSHING IT!** 🎉🎉🎉

You have built an audience through faith, a commitment to personal growth, and LOTS of hustle! The content you create and products you promote bring real value to people's lives. They trust you to be a conduit of good things they and their families will benefit from. You've built something that not only provides a good product but promotes the good of your audience. You deserve to feel proud of your hard work and accomplishments.

We at MyCounselor.Online respect what you've built and that's why we are reaching out to you about our Wellness Influencer Program. We believe together we can promote the mental, emotional, relational, and spiritual wellness of the people you care about. People trust you. Use that trust to influence them to take steps towards their own wellness and earn some passive income for your family or ministry along the way.

As an MCO Wellness Influencer you get to help connect your audience with clinically informed Christian faith-based counseling that will strengthen them as a parent, spouse, friend, and professional. At MCO we are all about helping people overcome the challenges life throws at us, so together we can THRIVE, not just survive. Our Christ centered and neuroscience informed approach empowers our clients to grow into their created potential and experience all that their Creator has in store for them.

You can help them get started. Wellness Influencers receive a discount for their audience and receive a thank you commission for each person who starts their journey toward wellness. We care for individuals facing depression, anxiety, post-partum and parenting struggles, fear, stress, loss, and grief. We care for couples struggling with communication difficulties, porn/infidelity, dating/pre-marital questions, or obstacles in their sex life. We care for families working through the hardships of infertility, adoption, foster care, or just parent life. We care for professionals, pastors, and missionaries who want to perform at the top of their game, overcoming every obstacle, internal and external, they encounter.

We care for people just like you and the people you love.

Our services are confidential, provided online through any internet connected device anywhere in the world, and made affordable through our scholarship programs. Our counselors have at least a master's degree in mental health, LOVE Jesus, and provide care from a Christ centered and neuroscience informed model of therapy.

Want to give it a try for yourself before promoting to your people? For influencers with a qualified audience, we offer 3 Free Months with one of our therapists, no strings attached. That's a \$1,000 gift just for checking out what we have to offer the people you care about. There's nothing to lose and a whole lot to be gained both for you and your community.

Don't have a qualifying audience – you can still participate in the influencer program and receive a discount for your community and commissions for each person who starts their journey to wellness. **Together we can connect people with the care that will empower them to move beyond just surviving to the life they were created for, a life of THRIVING!**

Our Model: Neuroscience Informed Christian Counseling® (NICC)

NICC starts with: **The author of the Bible and our nervous system are one and the same, Jesus.** We believe when accurately studied and interpreted the findings from the two will never be in contradiction with each other. Rooted in the Bible and enriched by over 100,000 hours of clinical expertise, Neuroscience Informed Christian Counseling® (NICC) merges the enduring wisdom of the Scriptures with cutting-edge practices in mental health and neuroscience insights. Josh Spurlock, the developer of NICC, brings a robust foundation of a BA in Biblical Languages and a Masters in Counseling to his work. Licensed in Missouri, Colorado, and Florida, Josh has extensive post-graduate training, including certification as a sex therapist and advanced training in EFT and AEDP therapies, alongside his credentials as an Ordained Minister. His clinical experience spans over 13,000 hours, specializing in complex trauma, marriage, and sex therapy, showcasing a deep commitment to facilitating healing and growth through a comprehensive, faith-based approach.

Statement of Faith

MyCounselor.Online adheres to the *Focus on the Family* Statement of Faith: <https://www.focusonthefamily.com/family-qa/what-is-your-organizations-statement-of-faith/>

Focus on the Family Statement of Faith

- *We believe* the Bible to be the inspired, the only infallible, authoritative Word of God;
- *We believe* that there is one God, eternally existent in three persons: Father, Son, and Holy Spirit;
- *We believe* in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory;
- *We believe* that for the salvation of lost and sinful humanity, regeneration by the Holy Spirit through faith in Jesus Christ is absolutely essential;
- *We believe* in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life;
- *We believe* in the resurrection of both the saved and the lost: they who are saved unto the resurrection of life and they who are lost unto the resurrection of damnation;
- *We believe* in the spiritual unity of believers in our Lord Jesus Christ.

The Statement of Faith does not exhaust the extent of our beliefs. The Bible itself, as the inspired and infallible Word of God that speaks with final authority concerning truth, morality, and the proper conduct of mankind, is the sole and final source of all that we believe. For purposes of Focus' faith, doctrine, practice, policy, and discipline, our Board of Directors is Focus' final interpretive authority on the Bible's meaning and application.
